iSportsman*

Frequently Asked Questions

Where can I cut Firewood?

- Any down dead material along a recreation road may be harvested, if the training area is open for recreation. Firewood may also be harvested from any firewood area designated on the firewood map available on the iSportsman webpage.

How much does it cost?

- \$50 per year payable by Cash or Check.

Am I limited on how many loads I can harvest?

- We do not limit the number of loads.

Can I bring someone to help harvest firewood?

- Up to 3 Associate Wood Cutter Permits can be affiliated with each Primary Permit. Only one vehicle can be used for hauling.

What do I need before getting a firewood permit?

- Background Check (completed with Visitor Control Center 804-633-8585)
